

Kerb

<i>Product (name)</i>	<i>Size (mm)</i>	<i>Thickness (mm)</i>	<i>Edge</i>
<i>Kerb (i)</i>	265 x 600	180 mm	Half Round

Colours: *Beige Crema, Grigio, Basalto, Marone*

Finish	Slip Rating
Hammered Brushed	> 35 PTV
Brushed	< 35 PTV

Specifications

<i>Product type</i>	Reconstituted Stone Kerb
<i>Manufactured to</i>	BS EN 1340:2003
<i>Surface layer</i>	Resilient surface layer
<i>Efflorescence</i>	Minimum 12 hour environmentally controlled curing to significantly reduce the possibility of efflorescence
<i>Strength</i>	Typical tensile splitting strength of >3-5MPa (Class 3)
<i>Slip/Skid Risk</i>	Extremely low
<i>Installed to</i>	BS 7533-101:2021
<i>Applications</i>	Applicable for residential and commercial spaces and should be adopted according to country's design guidelines.
<i>Energy used</i>	100% renewable energy
<i>Water used</i>	100% from our water reservoirs
<i>Recycled content</i>	≈ 30%
<i>Recyclable</i>	100% of this product can be recycled.
<i>Manufacturing & Delivery</i>	Hal Far, Malta
